Antique and Classic Car Owners

The members of New Bern's First Capital Chapter of AACA are preparing to host our 32nd Annual Car Show on the streets of downtown New Bern. We are also hosting the North Carolina Regional AACA Spring Show along with our open/ antique car show with help from Morehead City Chapter of AACA.

The City of New Bern Alderman have once again offered to close portions of Middle, Pollock and Craven Streets for us to use showing your cars not only to other collectors, but to the general public who flock to our show year after year. The show field entrance is again at the intersection of Middle and South Front streets. Back-in parking will be the rule of the day. Trailer parking will be available at the base of Broad Street (at East Front Street). U/L approved fire extinguishers are required and should be placed at the base of your car's left front tire.

The 2025 Spring Car Show will take place on Saturday May 10th (10:00 AM - 3:00 PM). Registration will start at 8:00 AM and end promptly at 10:00 AM with judging starting at noon. Original, Restored, Modified, Special Interest, Daily Driver cars, trucks, motorcycles and commercial vehicles will be judged.

Trophies will be awarded to First Place, Second Place of Restored Vehicles, Modified vehicles, Driver Participation and Original as delivered from the dealership.

We will also be holding our annual 50/50 drawing with proceeds going to the Marshall Van Winkle scholarship fund, to be awarded to a student in the Automotive Technician Program at Craven Community College.

We are offering a light blue "2025 Show T-shirt" for \$20.00 each, that can be purchased when early registering your vehicle, state your size and quantity.

Your early registration will be greatly appreciated and welcomed. Come join us on May 10th.
