AACA PROGRAM FOR YOUTH JUDGING

The AACA offers opportunities for young people ages 6 – 16 to learn from an experienced judge how to inspect, judge and recognize the quality of antique vehicles based on their design and condition.

Gen Greene Chapter, AACA, Inc is fortunate to have Dan Fucella come to our annual show and provide official hats, t-shirts, name tags and scoring sheets to groups of young people as they follow him through the judging process of previously selected vehicles.

We hope you will bring along young friends and family for this opportunity as Dan introduces them, in a fun way, to the antique automobile hobby.
